North Kansas City Schools BENEFITS GUIDE

2020–2021 Plan Year

Information

This Benefits Guide is an informational tool regarding the benefits of North Kansas City Schools. It is designed to provide a general understanding of your benefits, describe important features of the plans and answer some of the most commonly asked questions.

While it is intended to be as accurate as possible, the explanations contained herein are subject to the detailed provisions of the legal documents and contracts of the individual plans. In the event of a discrepancy between the guide and the plan document, the plan document will prevail.

The plan year for North Kansas City Schools’ benefits is July 1st- June 30th, unless otherwise stated. This means the elections you make for benefits will be in effect from July to June. **However, the benefit year is January 1st through December 31st.** Therefore, the deductibles and out of pocket maximums run on a calendar year (January through December timeframe).

Qualifying Events

When you participate in our health plans or Section 125 plan, you are obligated to maintain your election through the full year. However, certain qualifying events may occur that would allow you to add, change or terminate your election(s).

Examples of qualifying events include:

- Marriage or divorce
- Legal separation
- Loss of dependent status

Your child dependents will then term end of year on 12/31 regardless of what month they turn 26.

To change any of your elections due to a qualifying event, notify the Benefits Specialist within 30 days of the event date. If the Benefits Specialist is not notified within 30 days, you will need to wait to make any changes to your elections until the annual enrollment period. Please note that proper documentation of the qualifying event will be required. Additionally, the change you make to your election must be consistent with and appropriate for your new circumstance.

To access a list of all qualified medical expenses, visit <https://www.irs.gov/pub/irs-pdf/p502.pdf>

Additional HSA Information can be found at payflex.com or contact 888-678-8242.

REDUCED PREMIUMS. HSAs go hand-in-hand with HDHPs, so monthly premiums are generally significantly less than if you have a low deductible health plan.

OWNERSHIP. The employee owns the account and has full control over how the account is used and invested.

FLEXIBILITY. You can use the funds in your account to pay for the expenses (medical, prescription, dental and vision) of yours, your spouse and your tax-dependent children even if they are not enrolled on your insurance plans.

DISADVANTAGES

HSAs also have a few disadvantages, including:

HIGH DEDUCTIBLE REQUIREMENT. You must be enrolled in a qualifying High Deductible Health Plan (HDHP) before you can open and establish an HSA. Even though you are paying less in premiums each month, it can be difficult – even with money in an HSA – to come up with the cash to meet a high deductible.

UNEXPECTED HEALTHCARE COSTS. Your healthcare costs could exceed what you had planned for, and you may not have enough money saved in your HSA to cover expenses.

PRESSURE TO SAVE. You may be reluctant to seek healthcare when you need it because you don't want to use the money in your HSA account.

TAXES AND PENALTIES. If you withdraw funds for non-qualified expenses before you turn 65, you'll owe taxes on the money plus a 20% penalty. After age 65 (or if you become disabled), you'll owe taxes but not the penalty.

RECORDKEEPING. You have to keep your receipts to prove that withdrawals were used for qualified health expenses.

ADDITIONAL TAX FORMS. Your HSA bank will provide you two tax forms you will need to file your taxes and save with your tax return. IRS form 8889 is filed with your income taxes to report year-to-date contributions and distributions from your HSA. IRS form 1099-SA provides you with the total distributions that were made from your HSA. IRS form 5498-SA reports the contributions made to your HSA in that particular tax year.

FEES. Some HSAs charge a monthly maintenance fee or a per-transaction fee, which varies by institution. While typically not very high, the fees do cut into your bottom line. Sometimes these fees are waived if you maintain a certain minimum balance. Oftentimes, the employer will cover the cost of the monthly fees for their full-time employees.

CONTRIBUTION LIMITS. The IRS sets contribution limits that determine how much you and/or your employer can contribute to your HSA each year. For 2020, the maximum contribution amounts are \$3,550 for self-only coverage and \$7,100 for family coverage. You can add up to \$1,000 more as a "catch-up" contribution if you are age 55 or older at the end of your tax year.

RESPONSIBILITY. You as the accountholder are required to be knowledgeable of the IRS rules regarding HSA eligibility, contributions and distributions.

A Health Savings Account can be a great choice for people who wish to limit their upfront healthcare costs while saving for future expenses. For additional information, please see IRS Publication 502 for a listing of hundreds of qualified medical, prescription, dental and vision expenses. Also, IRS Publication 969 goes into more detail on the eligibility, contribution and distribution rules associated with HSAs.

Flexible Spending Accounts

Surency Advantage Plus

Benefits You Receive

Each eligible employee may voluntarily redirect a portion of his or her gross pay to a medical flexible spending account (FSA) and/or the dependent care account (DCA) which is administered by Surency Advantage Plus. These dollars can be used during the plan year to pay for the unreimbursed medical, dental, vision and dependent care expenses you incur.

Dependent Care Account

Maximum contribution (7/1/2020 - 6/30/2021) if single or married filing jointly: \$5,000

This account allows working parents to pay for daycare and before/after school expenses with pre-tax dollars. Dependents must be a child under the age of 13, or, a child, spouse, or other dependent that is physically or mentally incapable of self-care and spends at least eight hours a day in your household. Expenses for kindergarten fees, elementary school expenses for a child in first grade or higher, and expenses paid to a housekeeper, maid, cook, etc. are NOT eligible (except where incidental to child or dependent adult care).

Medical Flexible Spending Account

Maximum contribution (7/1/2020 - 6/30/2021):

\$2,750 The Medical FSA allows you to pay with pre-tax dollars for health, dental and vision expenses that are not covered by insurance.

Surency AdvantagePlus 2020 Flex Reminders!!

Examples of Reimbursable Expenses:

- Deductibles, Copays, Coinsurance
- Splints & Casts , Prescriptions
- Wheel chairs, Crutches, X-rays
- Diabetes testing
- Dental services, fillings, root canals
- Orthodontia
- Vision exams, contacts, glasses

If you have not used up your 2019-20 Flex dollars, you have until **9/15/2020** to incur claims. NKC Schools offers a **grace period** which means that you can incur claims in July 2020 through September 15th of 2020 and file for reimbursement from your 2019-20 flex account. You have until **September 28th, 2020 to file all claims**. Any 2019-20 funds not exhausted during the grace period WILL BE LOST.

If you have questions about qualified medical expenses, call 866-818-8805 or visit www.surency.com to view a complete list of approved expenses.

How Flexible Spending Accounts Work

You decide how much you will spend on unreimbursed health, dental, and vision expenses, and/or dependent care costs for the plan year. You elect to redirect part of your paycheck into a pre-tax FSA. This amount can be changed only at open enrollment or if you have a qualifying event. Use your FSA card for qualified expenses and simply swipe your card. If you prefer to pay upfront then be reimbursed, you can file a paper claim or send in your claim form electronically through Surency.com. or the Surency App.

Upon termination of employment, expenses can no longer be incurred after your final day worked. Claims must be submitted within 30 days of your last day worked. (Ex. Last day worked is 5/16, final day to submit claim is 6/15).

Substantiation – Why is it needed?

The IRS has established specific guidelines that require all Flexible Spending Account (FSA) transactions-even those made using a health care payment card-to be substantiated (verified that the purchase was an eligible medical expense). Some claims may use auto-substantiation (copay matching, recurring claims or real-time substantiation). Other claims require manual substantiation (receipt). Claims not substantiated may be recovered through payroll. This is an IRS mandate, not NKC Schools or Surency.

Why A Hospital Indemnity insurance plan?

While many working families have health insurance, few, if any are likely to budget for unexpected out of pocket medical cost.

As the cost of healthcare increase, families have become increasingly interested in the need for insurance products that can help them offset growing co-pays and deductibles. Hospital Indemnity insurance can help manage the cost of accidental injuries and critical illnesses such as cancer, heart disease and strokes.

A Hospital Indemnity insurance plan through Guardian provides:

- A cash benefit when you are admitted to a hospital, whether or not these charges are covered by your medical plan
- Benefit payments sent directly to you and can be used for any purpose – from covering medical copays and deductibles to paying for everyday expenses such as the mortgage, groceries and utilities
- Simple enrollment with no health or medical questions to answer
- Ability to take the coverage with you if you change jobs or retire

Universal LifeEvents® Insurance

Trustmark
INSURANCE COMPANY
PERSONAL. FLEXIBLE. TRUSTED.

100
Years
of Trust

Every life
has a story.

You have a picture of the way you want your life to go.

Now imagine if something happens that not only changes your picture, it changes your life story.

That's when Trustmark Universal LifeEvents® insurance can help. It can help you live your story, your way – even when life gets in the way.

What is Universal LifeEvents?

LifeEvents is permanent life insurance that helps shield your family from financial hardship if you or your spouse is suddenly out of the picture. It's that simple.

LifeEvents:

- Helps provide permanent financial protection
- Is a financial tool that helps you manage life at every stage – from supporting a family to sending your children to college to the need for long-term care
- Builds cash value over time that you can access for life's challenges and life's opportunities

How does it work?

With LifeEvents, benefits can be paid as a Death Benefit, as Living Benefits, or as a combination of both.

Death Benefit

The main reason people have life insurance is for the death benefit. A death benefit puts money in your family's hands quickly when they need it most. It's money they can use any way they want to help with expenses such as:

- Funeral costs
- Rent or mortgages
- A college education for your children or grandchildren
- Household debt
- Retirement and more

Living Benefits

Living benefits make it easy to advance part of your death benefit to help pay for home healthcare, assisted living, nursing home and adult day care services, should you ever need them.

Why do you need it?

Take a moment, now, to think about life as you know it. Then ask yourself this: If something happens to you, what happens to your family?

- Will they be able to keep your home?
When someone dies, family income may be significantly reduced.
- How much would your children's lives change?
Without you, how will their college dreams come true?
- If you need long-term care, will your choices be limited?
Long-term care can be expensive and may be needed at any age. If you had to pay for it yourself, it could deplete your savings and limit your care options at the same time.

Think About It
Surviving families take 5 to 7 years to recover financially from the loss of a spouse.¹

¹2009 MetLife Financial Impact of Premature Death Study.

The LifeEvents advantage

LifeEvents is designed to match your needs throughout your lifetime. It pays a:

- **Higher Death Benefit** during working years when expenses are high and your family needs maximum protection. Then, at age 70 when financial needs are typically lower, the death benefit reduces to one-third.²
- **Consistent Level of Living Benefits** throughout retirement when you are most likely to need long-term care services.

LifeEvents in action

(Example: 35-year-old, \$8/week premium, \$75,000 benefit)

Before Age 70		Age 70+	
Death Benefit	\$75,000	LTC Benefit	\$75,000
LTC Benefit	\$75,000	Death Benefit ²	\$25,000

²Death benefit reduces to one-third at the latter of age 70 or the 15th policy anniversary. Issue age is 64 and under.

How Living Benefits add up

Example: \$100,000 Death Benefit	Maximum Benefit Amount
Long-Term Care Benefit (LTC)³ Pays a monthly benefit equal to 4 percent of your death benefit for up to 25 months. The LTC benefit accelerates the death benefit and proportionately reduces it.	\$100,000
Benefit Restoration Restores the death benefit ² that is reduced to pay for LTC, so your family receives the full death benefit amount when they need it most.	\$100,000
Total Maximum Benefit Living Benefits can double the value of your life insurance.	\$200,000

³The LTC Benefit is an acceleration of the death benefit and is not Long-Term Care Insurance. It begins to pay after 90 days of confinement or services, and to qualify you must meet conditions of eligibility for benefits. Pre-existing condition limitation may apply. Living Benefits may not be available in all states or may be named differently. Please consult your policy for complete details.

In Oregon, this policy features a no-lapse guarantee that ensures coverage will not lapse for 14 years as long as premiums are paid as planned. If you make changes to policy benefits during this period or pay only the minimum premium, you may be foregoing the advantage of building cash value or reducing the benefit amount. If there is negative cash value at the end of the no-lapse period, you must pay enough premium to establish positive cash value. You may also need to maintain the policy with a higher premium than the one you paid to satisfy the no-lapse guarantee.

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2020. Contact your State for more information on eligibility –

This Notice pertains to the
NKCSD HN Only (A1), NKCSO PPO HSA (A2) & NKCSO HN Only (A3)
Plans

(INDIVIDUAL **CREDITABLE** COVERAGE DISCLOSURE NOTICE OMB 0938-0990)

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the North Kansas City Schools Group Health Care Plan and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

- 1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.**
- 2. Aetna has determined that the prescription drug coverage offered by the North Kansas City Schools Group Health Care Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered [Creditable Coverage](#). Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.**

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from **October 15th to December 7th**.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current North Kansas City Schools Group Health Plan coverage will not be affected. Please refer to the Aetna Health Care Plan Summary document for an explanation of the prescription drug coverage plan provisions/options under the North Kansas City Schools Group Health Care Plan that Medicare eligible individuals have available to them when they become eligible for Medicare Part D. You can keep this coverage if you elect Part D and this plan will coordinate with Part D coverage.

If you do decide to join a Medicare drug plan and drop your current North Kansas City Schools Group Health Care Plan coverage, be aware that you and your dependents will not be able to get this coverage back unless you reenroll on the active employee group health plan during the annual open enrollment period or experience a mid-year qualifying status change event.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with the North Kansas City Schools Group Health Care Plan and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the person listed below for further information.

NOTE: You'll get this notice each year. You will get it before the next period you can join a Medicare drug plan, and if this coverage through the North Kansas City Schools Group Health Care Plan changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this [Creditable Coverage](#) notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

General Notice of COBRA Continuation Coverage Rights

**** Continuation Coverage Rights Under COBRA****

Introduction

You are receiving this notice because you have recently become or may become covered under the North Kansas City Schools group health plan (the Plan). This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it.** When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

What is COBRA Continuation Coverage?

COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event. This is also called as a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because any of the following qualifying events happens:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because any of the following qualifying events happens:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the plan as a "dependent child."

Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to North Kansas City Schools, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary with respect to the bankruptcy. The retired employee's spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

When is COBRA Coverage Available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee;
- Commencement of a proceeding in bankruptcy with respect to the employer; or
- The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. You must provide this notice to: Misty Miller at 2000 NE 46th Street, Kansas City, MO 64116 or 816-321-6078 or misty.miller@nkcschools.org.

How is COBRA continuation coverage provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

Disability extension of 18-month period of continuation coverage

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage. In order to determine if you or a covered member of your family qualify for the disability extension, you must send documentation received from Social Security verifying the disability determination to Misty Miller at 2000 NE 46th Street, Kansas City, MO 64116 or 816-321-6078 or misty.miller@nkcschools.org.

Second qualifying event extension of 18-month period of continuation coverage

If your family experiences another qualifying event while receiving 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if notice of the second qualifying event is properly given to the Plan. This extension may be available to the spouse and any dependent children receiving COBRA continuation coverage if the employee or former employee dies, becomes entitled to Medicare benefits (under Part A, Part B, or both), or gets divorced or legally separated, or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

Are there other coverage options besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group

health plan coverage options (such as a spouse’s plan) through what is called a “special enrollment period.” Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

If you have questions

Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under the Employee Retirement Income Security Act (ERISA), including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor’s Employee Benefits Security Administration (EBSA) in your area or visit www.dol.gov/ebsa. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA’s website.) For more information about the Marketplace, visit www.HealthCare.gov.

Keep your Plan informed of address changes

To protect your family’s rights, let the Plan Administrator know about any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

New Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved
OMB No. 1210-0149
(expires 6-30-2023)

PART A: General Information

When key parts of the health care law took effect in 2014, there were new ways to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace began in November 2015 for coverage starting as early as January 1, 2016.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.69% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

- We do offer coverage. Eligible dependents are:
THE EMPLOYEE’S SPOUSE, DOMESTIC PARTNER, & DEPENDENT CHILDREN (UP TO AGE 26 (END OF YEAR) & OVER AGE 26 IF DISABLED).
- We do not offer coverage.

- If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. HIPAA NOTICE OF SPECIAL ENROLLMENT RIGHTS

This notice is being provided to insure that you understand your right to apply for the North Kansas City Schools Group Health Care Plan. You should read this notice even if you plan to waive coverage at this time.

Loss of Other Coverage

If you are declining coverage for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). **However, you must request enrollment within 30 days after your or your dependents' other coverage ends** (or after the employer stops contributing toward the other coverage).

North Kansas City School District Wellness Program Notice

The North Kansas City School District wellness program is a voluntary wellness program available to all employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you will be asked to complete a voluntary health risk assessment or "HRA" that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You will also be asked to complete a biometric screening, which could include height, weight, blood pressure check, a blood test for HDL Cholesterol, Triglycerides, and Glucose. You are not required to complete the HRA or to participate in the blood test or other medical examinations.

However, employees who choose to participate in the wellness program will receive an incentive of \$30 per month for your participation in both the screening and HRA. Although you are not required to complete the HRA or participate in the biometric screening, only employees who do so will receive the \$30 monthly incentive.

If you are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting Misty Miller, Benefits Specialist, 816-321-6078.

The information from your HRA and the results from your biometric screening will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program. You also are encouraged to share your results or concerns with your own doctor.

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and North Kansas City School District may use aggregate information it collects to design a program based on identified health risks in the workplace, the North Kansas City School District wellness program will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information is our Blue KC Healthier you nurses and health coaches.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs, involving information you provide in connection with the wellness program, we will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate.

If you have questions or concerns regarding this notice, or about protection against discrimination and retaliation, please contact Misty Miller, Benefits Specialist, 816-321-6078.
