**Health benefits and health insurance plans are offered and/or underwritten by Aetna Health Inc. Each insurer has sole financial responsibility for its own products.**

This material is for information only. Health benefits plans contain exclusions and limitations.

Not all health services are covered. See plan documents for a complete description of benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by location and are subject to change.

You may be responsible for the health care provider's full charges for any non-covered services, including circumstances where you have exceeded a benefit limit contained in the plan. Providers are independent contractors and are not our agents. Provider participation may change without notice. We do not provide care or guarantee access to health services.

The following is a list of services and supplies that are generally *not covered*. However, your plan documents may contain exceptions to this list based on state mandates or the plan design or rider(s) purchased by your employer.

- All medical and hospital services not specifically covered in, or which are limited or excluded by your plan documents.
- Cosmetic surgery, including breast reduction.
- Custodial care.
- Dental care and dental x-rays.
- Donor egg retrieval.
- Durable medical equipment.
- Experimental and investigational procedures, except for coverage for medically necessary routine patient care costs for members participating in a cancer clinical trial.
- Hearing aids.
- Home births.
- Immunizations for travel or work except where medically necessary or indicated.
- Implantable drugs and certain injectable drugs including injectable infertility drugs.
- Infertility services, including artificial insemination and advanced reproductive technologies such as IVF, ZIFT, GIFT, ICSI and other related services, unless specifically listed as covered in your plan documents.
- Long-term rehabilitation therapy.
- Non-medically necessary services or supplies.
- Orthotics except diabetic orthotics.

- Weight control services including surgical procedures, medical treatments, weight control/loss programs, dietary regimens and supplements, appetite suppressants and other medications; food or food supplements, exercise programs, exercise or other equipment; and other services and supplies that are primarily intended to control weight or treat obesity, including Morbid Obesity, or for the purpose of weight reduction, regardless of the existence of comorbid conditions.

Aetna, or its affiliate(s), receives rebates from drug manufacturers that may be taken into account in determining Aetna's Preferred Drug List. Rebates may reduce the amount a member pays the pharmacy for covered prescriptions. CVS Caremark<sup>®</sup> Mail Service Pharmacy refers to CVS Caremark<sup>®</sup> Mail Service Pharmacy, a licensed pharmacy subsidiary of Aetna Inc., that operates through mail order. The charges that Aetna negotiates with CVS Caremark<sup>®</sup> Mail Service Pharmacy may be higher than the cost they pay for the drugs and the cost of the mail order pharmacy services they provide. For these purposes, the pharmacy's cost of purchasing drugs takes into account discounts, credits and other amounts that they may receive from wholesalers, manufacturers, suppliers and distributors.

In case of emergency, call 911 or your local emergency hotline, or go directly to an emergency care facility.
