- Children’s Mercy Hospital - South
- Liberty Hospital

How many in-network healthcare providers can I choose from?

There are more than 3,000 high quality healthcare providers to choose from in the five-county BlueSelect Plus network.

If I’m outside of the 32-county Blue KC service area, can I still get care from a healthcare provider?

Yes. Outside the 32-county Blue KC service area, BlueSelect Plus members are covered under BlueCard PPO coverage. For example, if you reside in the Kansas City area, but spend time in Florida during the winter, you could still choose BlueSelect Plus, but would visit a BlueCard provider when you are in Florida.
