North Kansas City Schools BENEFITS GUIDE

2022–2023 Plan Year

Information

This Benefits Guide is an informational tool regarding the benefits of North Kansas City Schools. It is designed to provide a general understanding of your benefits, describe important features of the plans and answer some of the most commonly asked questions.

While it is intended to be as accurate as possible, the explanations contained herein are subject to the detailed provisions of the legal documents and contracts of the individual plans. In the event of a discrepancy between this guide and the plan document, the plan document will prevail.

The plan year for North Kansas City Schools' benefits is July 1st - June 30th, unless otherwise stated. This means the elections you make for benefits will be in effect from July to June. **However, the benefit year is January 1st through December 31st.** Therefore, the deductibles and out of pocket maximums run on a calendar year of January through December.

Qualifying Life Events (QLE)

When you participate in our medical, dental, vision and FSA plans or Section 125 plan, you are obligated to maintain your election through the full plan year. However, certain qualifying life events may occur that would allow you to add, change or terminate your elections (not plan).

Examples of qualifying events include:

- Birth or adoption of a child
- Marriage or divorce
- Legal separation
- Loss of dependent status
- Change in the employment status of your spouse or dependent
- Gain or loss of eligibility for Medicare/Medicaid for yourself, spouse or dependent
- Turning 26, losing coverage from parent

Please note that child dependents are covered under all benefits except Permanent Life to age 26. Your child dependents will then term at the end of year on 12/31 regardless of the month in which they turn 26. Choosing to enroll in a marketplace plan outside of the annual enrollment period is not a QLE.

To change any of your elections due to a qualifying life event, notify the Benefits Coordinator within 30 days of the event date. If the Benefits Coordinator is not notified within 30 days, you will need to wait to make any changes to your elections until the annual enrollment period. Please note that proper documentation of the qualifying life event will be required. Additionally, the change you make to your election must be consistent with and appropriate for your new circumstance. A QLE does not allow a change to a different plan.

Turn to page 58 for important government-mandated notices pertaining to premium subsidies that may be available to certain individuals. Those notices are:

- Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)
- New Health Insurance Marketplace Coverage Options and Your Health Coverage, and
- Creditable Coverage Medicare Part D Notice

MEDICAL INSURANCE

Blue Cross Blue Shield of Kansas City

Benefits You Receive

NKC Schools offers three medical plan choices through Blue Cross Blue Shield of Kansas City. Below is a brief benefit summary of all three plans including employee pricing for all three options.

- Option B1 - EPO Copay (\$\$\$)
- Option B2 - QHDHP (\$)
- Option B3 – EPO/SPIRA Care(\$\$)

NKC Schools will offer access to the Spira Care facilities through B2 - QHDHP and the B3 – EPO/SPIRA Care plan designs. An overview of the services provided at Spira Care is included on page 18-19. In addition, we encourage you to view the Spira Care information on the benefits website for additional information.

Access your personal/family account online at www.bluekc.com or call 816-395-2576 or 877-507-1388, Monday-Friday 8:00am-5:00pm (CT). Your Blue Cross Blue Shield of Kansas City account allows you to search for providers in your plan, search prescription drug coverage available on the formulary listing, along with viewing claims and wellness opportunities.

Note that there are some key components of the prescription drug coverage for all three health plans options to keep in mind. To determine whether or not your medication is covered, and at which coverage tier, please search for the Premium Formulary on the BlueKC website. If you or a covered family member need a long-term medication (greater than one month supply), you have the option of ordering this through the Optum Mail order pharmacy, OR you may get up to a three month supply at a network retail pharmacy (as long as your provider writes the script accordingly).

Prescription Drugs are covered under Blue KC formulary: Premium Formulary. To search for medications covered under the formulary, use this link: <https://bluekcmemberportal.azureedge.net/consumer/pdfs/DirectoryLibrary/2022/Member-PDL-Premium.pdf>.

KNOW WHAT CARE REQUIRES APPROVAL

Blue KC wants you to receive the most effective, appropriate care and treatment available. We also want to protect you from incurring additional or unnecessary costs, and that's why we require your healthcare provider to get approval—also known as prior authorization—for certain services.

Here's a bit more information about how prior authorization works:

When Authorization is Required

- All scheduled medical and surgical admissions
- Certain prescription drugs
- Out-of-network chiropractic services
- Dental implants, bone grafts/reconstruction, orthognathic surgery
- Blepharoplasty
- Cochlear devices
- Breast augmentation
- Genetic testing for breast and colon cancer
- Intensity modulated radiation therapy
- Insulin pumps
- Organ and tissue transplants
- Wheelchairs or power operated vehicles
- Ventricular assist devices
- Bariatric Surgery
- High Tech Imaging
- In-Lab Sleep Studies
- Some Durable Medical Equipment (DME) items, including wheelchairs, power operated vehicles, speech generating devices, insulin pumps, bone growth stimulators and more.

Visit [BlueKC.com/priorauth](https://www.bluekc.com/priorauth) to see all services that require approval.

When Authorization is NOT Required

- Emergent admissions or procedures
- Most 23-Hour Observation Admissions

Visit [BlueKC.com/priorauth](https://www.bluekc.com/priorauth) to see all services that require approval.

Requesting Prior Authorization

Your healthcare provider will submit a request for prior authorization via an electronic form, phone or fax (contact information is on the back of your member ID card). Blue KC processes requests within 36 hours from the date of receipt to include one additional business day.

- **IMPORTANT!** Prior authorization requests for prescription drugs can only be submitted by your physician via an electronic form, found by visiting: [BlueKC.com/consumer/find-a-form.html](https://www.bluekc.com/consumer/find-a-form.html)

Information Needed

To ensure the authorization process is as quick and efficient as possible, we highly recommend that the physician's office submitting requests have the following information:

- Recent clinical information including prior tests, lab work, and/or imaging performed related to this diagnosis
- Working or differential diagnosis and notes from your last visit related to the diagnosis
- Type and duration of treatment performed
- Your name and address
- Your Blue KC member ID number
- Provider name, address, tax ID, and NPI

When Authorizations are Approved

- When the service has been approved, an authorization number will be faxed or a call placed to the ordering physician or facility.
- It's the responsibility of the ordering physician or facility to complete the pre-service authorization process for your scheduled medical procedure. They can obtain verification by emailing prior_auth@bluekc.com.
- **IMPORTANT!** Authorization from Blue KC does not guarantee claim payment. Services must be covered by your health plan and you must be eligible at the time services are rendered. Claims submitted for unauthorized procedures are subject to denial.

When Authorizations are Denied

Should a service be denied, Blue KC will notify the ordering physician or facility via fax, and will contact you in writing to provide a reason for the denial and information about how you can appeal the decision. This communication begins the appeal options per current state policy. Blue KC also offers the ordering physician a consultation with a Blue KC Medical Director, known as the peer-to-peer process. The peer-to-peer process must be initiated within 24 hours of the denial notice and completed within seven days.

GO ONLINE. 

Visit [BlueKC.com/priorauth](https://www.bluekc.com/priorauth) to log into your member portal and find a comprehensive list of services that require prior authorization.

There is usually more than one medication available to treat a medical condition. We show you all of them, along with their costs.

SAME INGREDIENTS, DIFFERENT PILLS

If a drug has two active ingredients, the price can skyrocket! Take the active ingredients separately at the same time for the same treatment at a lower cost.

SAME ACTIVE INGREDIENT, LOWER PRICE

If a generic is available, we'll find it. If there is more than one option, you'll know exactly what each one costs.

Introducing the HSA

A health savings account (HSA) is a tax-advantaged member-owned account that lets you save pretax dollars for future qualified medical expenses. It belongs to you and the money is yours to keep, even if you change jobs or retire. You don't pay any taxes on the money you put in or take out, as long as you use it for medical expenses as defined by the IRS.

If you can't find the answers you're looking for online, give us a call at 1-800-859-2144 Monday-Friday 7am to 8pm CST or hellofurther.com

Is an HSA right for you?

You're enrolled in an
HSA-qualified health plan.

You can't be claimed as a dependent
on someone else's taxes.

You have no other health coverage.

You can contribute some money to save or
pay for health care expenses.

You aren't enrolled in Medicare.

You want to be ready when you
have unexpected health care needs.

How an HSA works with your eligible health plan

Medical
premium
(your payment
for health
insurance)

Premiums often cost less
for HSA-qualified plans.

Out-of-pocket
costs you pay
for health care
(up to deductible
and coinsurance)

Consider how much
you'll spend on health
care next year. Put that
money into an HSA pretax
from your paycheck.

HSA
contributions

Putting money into an
HSA helps you prepare
and pay for these costs
tax-free. If you don't
need the money, save
it for future needs.

Out-of pocket
maximum

Once you reach your
out-of-pocket max,
everything is 100%
covered. This protects
you from a major financial
crisis should unexpected
health care needs arise.

PROS AND CONS

Health Savings Accounts

The Health Savings Account (HSA) is a growing trend in health care. They have been embraced by over 10 million Americans since first established by law in 2003.

ADVANTAGES

Health Savings Accounts offer a way to save for – and pay for – healthcare (medical, prescription, dental, and vision) expenses. There are many advantages to having a Health Savings Account, including:

OTHERS CAN CONTRIBUTE TO YOUR HSA. Contributions can come from various sources, including you, your employer, a relative and anyone else who wants to add to your HSA.

PRE-TAX CONTRIBUTIONS. Contributions made through payroll deposits (through your employer) are typically made with pre-tax dollars, which means they are not subject to federal income taxes. In most states (including KS and MO), contributions are not subject to state income taxes either. Your employer can also make contributions on your behalf, and the contribution is not included in your gross income.

TAX DEDUCTIBLE CONTRIBUTIONS. Contributions made with after-tax dollars can be deducted from your gross income on your tax return, which means you may owe less tax at the end of the year. Contributions to your HSA can be made any time during the calendar year and up to April 15 of the following tax year. You can make regular contributions throughout the year, or make one lump-sum contribution whenever it's convenient.

TAX-FREE WITHDRAWALS. Withdrawals from your HSA are not subject to federal (or in most cases, state) income taxes if they are used for qualified (medical, prescription, dental and vision) expenses.

TAX-FREE EARNINGS AND INTEREST. Any interest or other earnings on the assets in the account are tax free.

FUNDS ROLL OVER. If you have money left in your HSA at the end of the year, it rolls over to the next year (unlike an FSA which is subject to the "use-it-or-lose-it" rule). The funds in the account continue to build over time, with no maximum.

YOU CAN BUDGET HOW MUCH TO CONTRIBUTE. The IRS permits you to change, start and stop the amount of your pre-tax payroll contributions as often as monthly.

PORTABLE. The money in your HSA remains available for future qualified healthcare expenses even if you change health insurance plans, change employers or retire. Funds left in your account continue to grow tax free.

CONVENIENT. Most HSAs issue a debit card, so you can pay for your prescription medication and other expenses right away. If you wait for a bill to come in the mail, you can call the billing center and make a payment over the phone using your debit card. And, you can use the card at an ATM to access cash.

REDUCED PREMIUMS. HSAs go hand-in-hand with HDHPs, so monthly premiums are generally significantly less than if you have a low deductible health plan.

OWNERSHIP. The employee owns the account and has full control over how the account is used and invested.

FLEXIBILITY. You can use the funds in your account to pay for the expenses (medical, prescription, dental and vision) of yours, your spouse and your tax-dependent children even if they are not enrolled on your insurance plans.

DISADVANTAGES

HSAs also have a few disadvantages, including:

HIGH DEDUCTIBLE REQUIREMENT. You must be enrolled in a qualifying High Deductible Health Plan (HDHP) such as the B2 Health Plan offered through BlueKC before you can open and establish an HSA. Even though you are paying less in premiums each month, it can be difficult – even with money in an HSA – to come up with the cash to meet a high deductible.

UNEXPECTED HEALTHCARE COSTS. Your healthcare costs could exceed what you had planned for, and you may not have enough money saved in your HSA to cover expenses. However, you could pay with other means, then reimburse yourself with funds from your HSA at a later date.

PRESSURE TO SAVE. You may be reluctant to seek healthcare when you need it because you don't want to use the money in your HSA account.

TAXES AND PENALTIES. If you withdraw funds for non-qualified expenses before you turn 65, you'll owe taxes on the money plus a 20% penalty. After age 65 (or if you become disabled), you'll owe taxes but not the penalty.

RECORDKEEPING. You have to keep your receipts to prove that withdrawals were used for qualified health expenses. An HSA is an individual-owned account, so it is up to you as the account-holder to provide the necessary documentation, should you be audited by the IRS.

ADDITIONAL TAX FORMS. Your HSA bank will provide you two tax forms you will need to file your taxes and save with your tax return. IRS form 8889 is filed with your income taxes to report year-to-date contributions and distributions from your HSA. IRS form 1099-SA provides you with the total distributions that were made from your HSA. IRS form 5498-SA reports the contributions made to your HSA in that particular tax year.

FEES. Some HSAs charge a monthly maintenance fee or a per-transaction fee, which varies by institution. While typically not very high, the fees do cut into your bottom line. Sometimes these fees are waived if you maintain a certain minimum balance. Oftentimes, the employer will cover the cost of the monthly fees for their full-time employees.

CONTRIBUTION LIMITS. The IRS sets contribution limits that determine how much you and/or your employer can contribute to your HSA each year. For 2022, the maximum contribution amounts are \$3,650 for self-only coverage and \$7,300 for family coverage. You can add up to \$1,000 more as a "catch-up" contribution if you are age 55 or older at the end of your tax year.

RESPONSIBILITY. You as the account holder are required to be knowledgeable of the IRS rules regarding HSA eligibility, contributions and distributions.

A Health Savings Account can be a great choice for people who wish to limit their upfront healthcare costs while saving for future expenses. For additional information, please see the Payflex website IRS Publication 502 for a listing of hundreds of qualified medical, prescription, dental and vision expenses. Also, IRS Publication 969 goes into more detail on the eligibility, contribution and distribution rules associated with HSAs.

Flexible Spending Accounts

Surency Advantage Plus

Benefits You Receive

Each eligible employee may voluntarily redirect a portion of his or her gross pay to a medical flexible spending account (FSA) and/or the dependent care account (DCA) which is administered by Surency Advantage Plus. These dollars can be used during the plan year to pay for the unreimbursed medical, dental, vision and dependent care expenses you incur.

Dependent Care Account

Maximum contribution if single or married filing jointly: \$5,000

This account allows working parents to pay for daycare and before/after school expenses with pre-tax dollars. Dependents must be a child under the age of 13, or a child, spouse, or other dependent that is physically or mentally incapable of self-care and spends at least eight hours a day in your household. Expenses for kindergarten fees, elementary school expenses for a child in first grade or higher, and expenses paid to a housekeeper, maid, cook, etc. are NOT eligible (except where incidental to child or dependent adult care).

Medical Flexible Spending Account

Maximum contribution: \$2,850 (7/1/22-6/30/23):

The Medical FSA allows you to pay with pre-tax dollars for health, dental and vision expenses that are not covered by insurance.

Examples of Reimbursable Expenses:

- Deductibles, Copays, Coinsurance
- Splints & Casts, Prescriptions
- Wheelchairs, Crutches, X-rays
- Diabetes testing
- Dental services, fillings, root canals
- Orthodontia
- Vision exams, contacts, glasses

Surency AdvantagePlus 2022 Flex Reminders!!

If you have not used up your 2021-22 Flex dollars, you have until **9/15/2022** to incur claims. NKC Schools offers a **grace period** which means that you can incur claims in July 2022 through September 15th of 2022 and file for reimbursement from your 2021-22 flex account. You have until **September 28th, 2022, to file all claims**. Any 2021-22 funds not exhausted during the grace period WILL BE LOST.

If you have questions about qualified medical expenses, call 866-818-8805 or visit www.surency.com to view a complete list of approved expenses.

How Flexible Spending Accounts Work

You decide how much you will spend on unreimbursed health, dental, and vision expenses, and/or dependent care costs for the plan year. You elect to redirect part of your paycheck into a pre-tax FSA. This amount can be changed only at open enrollment or if you have a qualifying event consistent with the change you are requesting. Use your FSA card for qualified expenses and simply swipe your debit card. If you prefer to pay upfront then be reimbursed, you can file a paper claim or send in your claim form electronically through Surency.com or the Surency App.

Upon termination of employment, expenses can no longer be incurred after your final day worked. Claims must be submitted within 30 days of your last day worked. (Ex. Last day worked is 5/16, final day to submit claim is 6/15).

Substantiation – Why is it needed?

The IRS has established specific guidelines that require all Flexible Spending Account (FSA) transactions-even those made using a health care payment card-to be substantiated (verified that the purchase was an eligible medical expense). Some claims may use auto-substantiation (copay matching, recurring claims or real-time substantiation). Other claims require manual substantiation (receipt). Claims not substantiated may be recovered through payroll. This is an IRS mandate, not a rule set by NKC Schools or Surency.

When an employee fails to repay the amount of an improper charge, the IRS requires the employer withhold the improper charge amount from the employee's pay. If the full improper charge cannot be withheld, the IRS requires that any repayment not settled be added as W-2 taxable wages, subject to income tax, Social Security (if applicable), and Medicare.

Benefit Payment Example

Kathy's daughter, Molly, was riding her bike to school. On her way there she fell to the ground, was knocked unconscious, and was taken to the local emergency room (ER) by ambulance for treatment. The ER doctor diagnosed a concussion and a broken tooth. He ordered a CT scan to check for facial fractures too, since Molly's face was very swollen. Molly was released to her primary care physician for follow-up treatment, and her dentist repaired her broken tooth with a crown. Depending on her health insurance, Kathy's out-of-pocket costs could run into hundreds of dollars to cover expenses like insurance co-payments and deductibles. MetLife Group Accident Insurance payments can be used to help cover these unexpected costs.

Covered Event ³	Benefit Amount (High Plan)
Ambulance (ground)	\$400
Emergency Care	\$200

Benefit Payment Example for Plan

The example below assumes Susan sought treatment at a group policyholder-designated facility and is therefore eligible for additional payment under the Benefit Supplement Rider.

Susan has chest pains at home, and after contacting her doctor, she is instructed to head to her local hospital. Upon arrival, the doctor examines Susan and advises that she requires immediate admission to the Intensive Care Unit for further evaluation and treatment. After two days in the Intensive Care Unit, Susan moves to a standard room and spends two additional days recovering in the hospital. Susan was released to her primary care physician for follow-up treatment and observation. Her primary doctor is now keeping a close watch over Susan's overall health. Depending on her health insurance, Susan's out-of-pocket costs could run into hundreds of dollars to cover expenses like insurance co-payments and deductibles. MetLife Group Hospital Indemnity Insurance payments can be used to help cover these unexpected costs or in any other way Susan sees fit.

Every life has a story.

You have a picture of the way you want your life to go.

Now imagine if something happens that not only changes your picture, it changes your life story.

That's when Trustmark Universal LifeEvents® insurance can help. It can help you live your story, your way – even when life gets in the way.

What is Universal LifeEvents?

LifeEvents is permanent life insurance that helps shield your family from financial hardship if you or your spouse is suddenly out of the picture. It's that simple.

LifeEvents:

- Helps provide permanent financial protection
- Is a financial tool that helps you manage life at every stage – from supporting a family to sending your children to college to the need for long-term care
- Builds cash value over time that you can access for life's challenges and life's opportunities

How does it work?

With LifeEvents, benefits can be paid as a Death Benefit, as Living Benefits, or as a combination of both.

Death Benefit

The main reason people have life insurance is for the death benefit. A death benefit puts money in your family's hands quickly when they need it most. It's money they can use any way they want to help with expenses such as:

- Funeral costs
- Rent or mortgages
- A college education for your children or grandchildren
- Household debt
- Retirement and more

Living Benefits

Living benefits make it easy to advance part of your death benefit to help pay for home healthcare, assisted living, nursing home and adult day care services, should you ever need them.

Why do you need it?

Take a moment, now, to think about life as you know it. Then ask yourself this: If something happens to you, what happens to your family?

- Will they be able to keep your home?
When someone dies, family income may be significantly reduced.
- How much would your children's lives change?
Without you, how will their college dreams come true?
- If you need long-term care, will your choices be limited?
Long-term care can be expensive and may be needed at any age. If you had to pay for it yourself, it could deplete your savings and limit your care options at the same time.

Think About It
Surviving families take 5 to 7 years
to recover financially from the loss
of a spouse.¹

¹2009 MetLife Financial Impact of Premature Death Study.

The LifeEvents advantage

LifeEvents is designed to match your needs throughout your lifetime. It pays a:

- **Higher Death Benefit** during working years when expenses are high and your family needs maximum protection. Then, at age 70 when financial needs are typically lower, the death benefit reduces to one-third.²
- **Consistent Level of Living Benefits** throughout retirement when you are most likely to need long-term care services.

LifeEvents in action

(Example: 35-year-old, \$8/week premium, \$75,000 benefit)

Before Age 70		Age 70+	
Death Benefit	\$75,000	LTC Benefit	\$75,000
LTC Benefit	\$75,000	Death Benefit ²	\$25,000

²Death benefit reduces to one-third at the latter of age 70 or the 15th policy anniversary. Issue age is 64 and under.

How Living Benefits add up

**Example: \$100,000
Death Benefit**

**Maximum Benefit
Amount**

Long-Term Care Benefit (LTC)³

Pays a monthly benefit equal to 4 percent of your death benefit for up to 25 months. The LTC benefit accelerates the death benefit and proportionately reduces it.

\$100,000

Benefit Restoration

Restores the death benefit² that is reduced to pay for LTC, so your family receives the full death benefit amount when they need it most.

\$100,000

**Total Maximum Benefit
Living Benefits can double the
value of your life insurance.**

\$200,000

³The LTC Benefit is an acceleration of the death benefit and is not Long-Term Care Insurance. It begins to pay after 90 days of confinement or services, and to qualify you must meet conditions of eligibility for benefits. Pre-existing condition limitation may apply. Living Benefits may not be available in all states or may be named differently. Please consult your policy for complete details.

The ULE rate tables are available on your benefits web:

Features you'll appreciate

- **Lifelong Protection** – Provides coverage that will last your lifetime.
- **Family Coverage** – Apply for your spouse even if you choose not to participate. Dependent children and grandchildren can be covered under a Universal Life policy.
- **Terminal Illness Benefit** – Accelerates up to 75% of your death benefit if your doctor determines your life expectancy is 24 months or less.
- **Portability** – Take your coverage with you and pay the same premium if you change jobs or retire.
- **Guaranteed Renewable** – Guaranteed coverage, as long as your premiums are paid. Your premium may change if the premium for all policies in your class changes.
- **Convenient Payroll Deduction** – No bills to watch for. No checks to mail. A direct bill option is available when you change jobs or retire.

Separately priced benefits

In Oregon, this policy features a no-lapse guarantee that ensures coverage will not lapse for 14 years as long as premiums are paid as planned. If you make changes to policy benefits during this period or pay only the minimum premium, you may be foregoing the advantage of building cash value or reducing the benefit amount. If there is negative cash value at the end of the no-lapse period, you must pay enough premium to establish positive cash value. You may also need to maintain the policy with a higher premium than the one you paid to satisfy the no-lapse guarantee.

**Important Notice from North Kansas City Schools
About Your Prescription Drug Coverage and Medicare
This Notice pertains to the
North Kansas City Schools Group Health Care Plan**

(INDIVIDUAL CREDITABLE COVERAGE DISCLOSURE NOTICE OMB 0938-0990)

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the North Kansas City Schools Group Health Care Plan and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

- 1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.**
- 2. Blue Cross Blue Shield of Kansas City has determined that the prescription drug coverage offered by the North Kansas City Schools Group Health Care Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.**

When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October **15th to December 7th**.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens to Your Current Coverage If You Decide to Join a Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current North Kansas City Schools Group Health Plan coverage will not be affected. Please refer to the Blue Cross Blue Shield of Kansas City Health Care Plan Summary document for an explanation of the prescription drug coverage plan provisions/options under the North Kansas City Schools Group Health Care Plan that Medicare eligible individuals have available to them when they become eligible for Medicare Part D. You can keep this coverage if you elect Part D, and this plan will coordinate with Part D coverage.

If you do decide to join a Medicare drug plan and drop your current North Kansas City Schools Group Health Care Plan coverage, be aware that you and your dependents will not be able to get this coverage back unless you reenroll on the active employee group health plan during the annual open enrollment period or experience a mid-year qualifying status change event.

When Will You Pay a Higher Premium (Penalty) To Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with the North Kansas City Schools Group Health Care Plan and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice or Your Current Prescription Drug Coverage...

Contact the person listed below for further information.

NOTE: You'll get this notice each year. You will get it before the next period you can join a Medicare drug plan, and if this coverage through the North Kansas City Schools Group Health Care Plan changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this [Creditable Coverage](#) notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

General Notice of COBRA Continuation Coverage Rights

**** Continuation Coverage Rights Under COBRA****

Introduction

You are receiving this notice because you have recently become or may become covered under the North Kansas City Schools group health plan (the Plan). This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it.** When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

What is COBRA Continuation Coverage?

COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event. This is also called as a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because any of the following qualifying events happens:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because any of the following qualifying events happens:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the plan as a "dependent child."

Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to North Kansas City Schools, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary with respect to the bankruptcy. The retired employee's spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

When is COBRA Coverage Available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee;
- Commencement of a proceeding in bankruptcy with respect to the employer; or
- The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 30 days after the qualifying event occurs. You must provide this notice to: Misty Miller, Benefits Coordinator, at 2000 NE 46th Street, Kansas City, MO 64116 or 816-321-6078 or misty.miller@nkcschools.org.

How is COBRA continuation coverage provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

Disability extension of 18-month period of continuation coverage

If you or anyone in your family covered under the Plan is determined by the Social Security Administration (SSA) to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage. In order to determine if you or a covered member of your family qualify for the disability extension, you must send documentation received from SSA verifying the disability determination to Misty Miller, Benefits Coordinator, at 2000 NE 46th Street, Kansas City, MO 64116 or 816-321-6078 or misty.miller@nkcschools.org.

Second qualifying event extension of 18-month period of continuation coverage

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

Are there other coverage options besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicare, Medicaid, [Children's Health Insurance Program \(CHIP\)](#), or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less

than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

Can I enroll in Medicare instead of COBRA continuation coverage after my group health plan coverage ends?

In general, if you don't enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period¹ to sign up for Medicare Part A or B, beginning on the earlier of

- The month after your employment ends; or
- The month after group health plan coverage based on current employment ends.

If you don't enroll in Medicare and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in Medicare Part A or B before the COBRA continuation coverage ends, the Plan may terminate your continuation coverage. However, if Medicare Part A or B is effective on or before the date of the COBRA election, COBRA coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of COBRA coverage.

If you are enrolled in both COBRA continuation coverage and Medicare, Medicare will generally pay first (primary payer), and COBRA continuation coverage will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare.

New Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved
OMB No. 1210-0149
(expires 6-30-2023)

PART A: General Information

When key parts of the health care law took effect in 2014, there were new ways to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace began in November 2015 for coverage starting as early as January 1, 2016.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.69% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

PART B: Information About Health Coverage Offered by Your Employer

3. Employer name North Kansas City Schools	4. Employer Identification Number (EIN) 44-6003683	
5. Employer address 2000 NE 46 th Street	6. Employer phone number 816-321-6078	
7. City Kansas City	8. State MO	9. ZIP code 64116
10. Who can we contact about employee health coverage at this job? Misty Miller, Benefits Coordinator		
11. Phone number (if different from above)	12. Email address misty.miller@nkcschools.org	

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:

- ☐ All employees.
- ☒ Some employees. Eligible employees are: •
EMPLOYEES REGULARLY SCHEDULED TO WORK 30 OR MORE HOURS PER WEEK.
- ☒ We do offer coverage. Eligible dependents are:
THE EMPLOYEE'S SPOUSE, DOMESTIC PARTNER, & DEPENDENT CHILDREN (UP TO AGE 26 (END OF YEAR) & OVER AGE 26 IF DISABLED).
- ☐ We do not offer coverage.

- ☒ If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

HIPAA NOTICE OF SPECIAL ENROLLMENT RIGHTS

This notice is being provided to ensure that you understand your right to apply for the North Kansas City Schools Group Health Care Plan. You should read this notice even if you plan to waive coverage at this time.

Loss of Other Coverage

If you are declining coverage for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). **However, you must request enrollment within 30 days after your or your dependents' other coverage ends** (or after the employer stops contributing toward the other coverage).

Example: You waived coverage because you were covered under a plan offered by your spouse's employer. Your spouse terminates his/her employment. If you notify us within 30 days of the date coverage ends, you and your eligible dependents may apply for coverage under our health plan.

Marriage, Birth, or Adoption

If you have a new dependent as a result of a marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. **However, you must request enrollment within 30 days after the marriage, birth, or placement for adoption.**

Example: When you were hired by us, you were single and chose not to elect health insurance benefits. During the year you get married. You and your eligible dependents are entitled to enroll in this group health plan. However, you must apply within 30 days from the date of your marriage.

WOMEN'S HEALTH AND CANCER RIGHTS ACT NOTICE

North Kansas City Schools is required by law to provide you with the following notice:

The Women's Health and Cancer Rights Act of 1998 ("WHCRA") was signed into law on October 21, 1998. The WHCRA which amends ERISA, requires group health plans that provide coverage for mastectomies to also provide coverage for reconstructive surgery and prostheses following mastectomies.

Because your group health plan offers coverage for mastectomies, WHCRA applies to your plan. The law mandates that a participant who is receiving benefits, on or after the law's effective date, for a covered mastectomy and who elects breast reconstruction in connection with the mastectomy will also receive coverage for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedemas.

The North Kansas City Schools Group Health Care Plan provides coverage for mastectomies and the related procedures listed above, subject to the same copays, deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan.

If you would like more information on WHCRA benefits, please refer to your Blue Cross Blue Shield of Kansas City Group Health Care Plan Summary Document or contact your plan administrator at:

North Kansas City School District Wellness Program Notice

The North Kansas City School District wellness program is a voluntary wellness program available to all employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you will be asked to complete a voluntary health risk assessment or "HRA" that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You will also be asked to complete a biometric screening, which could include height, weight, blood pressure check, a blood test for HDL Cholesterol, Triglycerides, and Glucose. You are not required to complete the HRA or to participate in the blood test or other medical examinations.

However, employees who choose to participate in the wellness program will receive a premium reduction incentive each month for your participation in both the screening and HRA. Although you are not required to complete the HRA or participate in the biometric screening, only employees who do so will receive the monthly premium reduction incentive.

If you are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting Misty Miller, Benefits Coordinator, 816-321-6078.

The information from your HRA and the results from your biometric screening will be used to provide you with information to help you understand your current health and potential risks and may also be used to offer you services through the wellness program. You also are encouraged to share your results or concerns with your own doctor.

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and North Kansas City School District may use aggregate information it collects to design a program based on identified health risks in the workplace, the North Kansas City School District wellness program will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in

connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information is our Blue Cross Blue Shield of Kansas City nurses and health coaches.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs, involving information you provide in connection with the wellness program, we will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate.

If you have questions or concerns regarding this notice, or about protection against discrimination and retaliation, please contact Misty Miller, Benefits Coordinator, 816-321-6078.
